**C E R A M I C**

The logo features the letters 'CVA' in a bold, dark grey font. The letter 'C' is a thick, rounded shape. The 'V' is formed by two dark grey diagonal strokes meeting at a point. The 'A' is a dark grey shape with a white negative space on its left side. An orange swoosh underline is positioned below the 'V' and 'A'. To the right of 'CVA' is the trademark symbol 'TM'. Below this is a solid black horizontal line, and underneath that, the word 'CERAMIC' is written in a dark grey, spaced-out, sans-serif font.
